## INTRODUCTION TO THE SA CHILDCARE ASSOCIATION

SA Childcare Association is an independent Service provider supporting **all ECD** centres functioning in the preschool and Foundation Phase, as well as After Care Centres as defined in the Children's Act.

The support refers to all legal obligations with regards to registrations, business methodology, training, Health and Safety issues, Labour requirements and being a resource centre for our members and the Industry.

SA Childcare Association consist of a group of companies achieving the above.

1. **SA Childcare (Registration No: 2015/215329/07):** Manages the Association and its operations.
2. **ABA Health (Registration No: 2006/025563/07):** Accredited Training provider with HWSETA and ETDP SETA with ECD and Counselling Focus.
3. **NSHEQ Training Solutions (Registration No: 2015/190655/07):** Accredited provider with HWSETA, Department of Labour and SACE.
4. **Helpkidz Africa (Registration No: 2019/208479/08):** An NPO that uses ECD Centre support to soften the negative effect of poverty for children in South Africa.
5. **Accord Financial Services (Registration No: 2006/022992/07):** All Property transactions of members and other:

Currently SA Childcare has 1486 registered ECD Centres as members. Estimating the owners and principals at 1700, staff at 14 215 and the children at 96 797.

We have about 3000 preschool Centres informally working with SA Childcare Association.

Our Facebook page has 19 537 followers and our weekly posts reached last week was 141 641. In our opinion we have a strong voice in this sector.

We are experienced as truthful and honest in our offering, with a strong focus on helping and serving this community. We strive towards self governing of our sector and assisting formal structures in re-engineering this sector that is currently in dire straits.
